

2017 Humboldt County Youth Cross Country

by "Jack West" <jandjwest@yahoo.com>

The Humboldt County Youth Cross Country season ended Tuesday, Oct. 17, at the Arcata Community Center. 347 kindergartens to eighth grade runners representing 37 local schools or organizations competed for individual and team awards.

There were seven races on the schedule this year with the championship the final event. The races were put together by coaches of five schools and two organizations. **Blue Lake School, Jacoby Creek School, Rohnerville School, NPA Middle School, Pacific Union School** and **CrossFit of Eureka** put on the regular season meets. **Sunrise Rotary of Arcata** and **Six Rivers Running Club** put on the championships. As a member of SRRC, I was proud of the work our club did to support our local youth runners. We put some funds and used many volunteers to make the season work.

Amanda Reynolds and **Gary Timek** helped at every meet. Many other members volunteered as well. I want to thank everyone who helped and SRRC for being so supportive. The program allowed all schools in Humboldt County, including home schools, to participate. Our goals are to organize programs that will keep kids active and to promote running. We think that worked out well this year.
