

Eureka Waterfront 5K

9:30 am, Sat., May 15, 2021

Co-Directed by "Matthew Kidwell" <matthew5513@yahoo.com> & "Rachel Cardoza" <rachelneucardoza@gmail.com>

When the Avenue was postponed to the fall, I decided we needed a small club race in May. In November we had planned the **Boardwalk 5K** for early December, but were unable to be put on due to Covid restrictions. This seemed like a good race to put on in May since it had already been planned. **Rachel** volunteered to co-direct it with me so I could race it. Thanks everyone who volunteered and it took a lot of volunteers. For traffic control we had help from **Tom, Sicily, Dulce, Shinazy, Bob P., Lanore, Yoshi** and **Thomas**. **Thomas** was a big help setting out the barricades and getting equipment from the shed. Everyone did a great job keeping the runners safe! **Mark, Sicily** and **Harry** did a great job at the finish line, no mistakes were reported. **Jenn** directed the runners on trail and nobody went the wrong way. **Karen** and **Lanore** did a great job marking the course, nobody got lost. Thanks to **Rachel** for starting the race and keeping everything under control while I was race racing. **Yoon** as always got good pictures of everyone. Finally, thanks to my wife **Karen** for assigning bib numbers and writing the names on them and all the other little things she helped with. Thanks everyone for a great race. – **Matthew Kidwell**
