Thank you to everyone for a wonderful third running of Grasshopper Peak! Of course, this race couldn't have been successful without numerous volunteers and special helpers, including those listed below:

Thank you to our sponsors, **Adventure's Edge**, **Avenue of the Giants Marathon**, and **Humboldt Redwoods Marathon** for providing most of the food, gels, and Gatorade on the course. Thank you to the aid and medical workers on the course who fought hoards of mosquitoes while making sure everyone was safe: **Bill, Deb, Lulu, Kenny, Jurgen, Gwen, Nikki**, and **Ricky**. Thank you to the finish line timing and results crew: **Barry, Harry**, and **Myrna**. Thank you to the finish line food/medical helpers: **Jason and staff** from **Calfire Weott** and **Judy** from **Rio Dell VFD**. Thank you to **Leslie**, the course

sweep, who picked up all the course flags and signs while making sure nobody was left behind. Thank you to **Gwen** and **Yoon** for beautiful photographs that help capture what makes this course so special. Thank you **Mj, Judy, Barry** and **Myrna** for helping with parking. Thank you to **Paul** for providing the sliced redwood branches for the awards. Thank you to **Shaina** for the t-shirt and flyer graphics. Thank you to **Eric** for helping with final cleanup. The biggest of thank yous go out to **Rachel** and **Matthew** who put in countless hours helping me with whatever I needed, including but not limited to, sanding awards, assigning bib numbers, marking the course, and brainstorming ideas. Finally, thank you to **Humboldt Redwoods State Park**, Ranger **Thomas and his crew** for assistance above and beyond official job duties. It was a pleasure to direct this race once again, I hope to see everyone next year!
