Thank you all for another successful year of the Grasshopper Peak Run! I'm always amazed by how many of you want to tackle this tough course! Without an army of helpers, this race would not be possible. **Thank you** to **Paul** for the redwood rounds and for the steady stream of jobs I gave him on race day. Thank you to **Cindy, Gary,**

Leslie, Shawn, Crystal, Ari, Westley, Felix, Brent, Juan, Barry, Don and Jorge who helped out everywhere off the course. On course support included: **Gary, Lanore, Nikki, Jurgen, Bob, and Rachel.**

Everyone did a fantastic job! Thank you to **Yoon** for his beautiful photos. Additionally thank you to **Sam and Kris** with **Humboldt Search and Rescue, Anthony, Arik, and Bailey** from **Cal Fire in Weott**, to Rangers **Thomas and John** at **Humboldt Redwoods State Park** for all their assistance leading up to and on race day, and **Adventure's Edge** for their continuing support in the form of M&M's and potato chips. Finally, the biggest of thank yous to my husband **Matthew** who organized the volunteers, sanded awards, and helped me with too many odd jobs to list here.

Thank you! -- Karen Kidwell
