

STOMP! 2K & 5K

Bear River Casino, Loleta, CA

9:30AM Sat., Sept. 21, 2019

Directed by "Chandelle Owens" <skydelle21@aol.com>

STOMP NorCal 2019 was a success. We had 128 attendees, 99 who finished the run/walk (that turned in bib tags). This is our biggest turnout yet! We raised over \$1,700.00 that day! We had a much better 5K course this year, the Singley Hill Challenge is what I called it. We still had the 2K for those that wanted to support, but didn't want such a challenge.

Thank you to all the amazing volunteers, runners/walkers, supporters and donors. Without everyone doing their part this event would not be so wonderful. I am especially grateful that **Bear River Casino** donates their beautiful space for us to use for STOMP NorCal. They also donate waters and fruit for the participants. The Bear River staff have been over the top supportive, some even joining in the run, others helping with set up and take down and even joining in the drawing and activities. Their enthusiasm really makes us feel very welcome. They have beautiful grounds, gym and even an awesome family fun center that we used after the event.

Thank you all for supporting **Chelsea Hutchison Foundation**! If you would like to know more about their story check out the website <www.chelseahutchisonfoundation.org> or you can email Chandelle at <rushingriverstomp@gmail.com>. I look forward to seeing more supporters next year.
